## Preface

With the end of the Cold War, there has been a significant increase in peacekeeping missions around the globe. To assist student researchers in a better understanding of peacekeeping's expanding role, the U.S. Army War College Library presents this revised and updated edition of Peacekeeping: A Selected Bibliography.

This edition cites materials primarily from the 1990s, with special emphasis on books, documents, and periodical articles added to our library's collection during 1994. For earlier citations, researchers should consult the previous edition which generally covers publications dated 1980 through 1993.

All materials referenced in the bibliography are readily available in the USAWC Library. For your convenience, we have added our call numbers at the end of each book entry (keep in mind that call numbers vary from library to library).

For additional information, please contact the Research and Information Services Branch, U.S. Army War College Library, by sending an e-mail message to [awcsl@carlisle-emh2.army.mil](mailto:awcsl@carlisle-emh2.army.mil), or by phoning DSN 242-4280 or Commercial (717) 245-4280.
